APPRENTICESHIP ILLINOIS COMMITTEE

The Apprenticeship Illinois Committee (AIC) is one of four content-focused Illinois Workforce Innovation Board (IWIB) committees.

The chair, Daniel Serota, is a member of the IWIB.

Other members of this committee do not have to be appointed by the Governor and can be invited by the chair.

There are typically 20 voting members of this committee.

The committee focuses on providing leadership on:

1. Expanding apprenticeships geographically and to new industries.
2. Increasing diversity, equity, and inclusion in apprenticeship.
3. Formalizing statewide apprenticeship coordination across partnering state agencies.
4. Growing statewide capacity to provide apprenticeship opportunities to career seekers and businesses.

AIC MARKETING WORKGROUP (AIC MWG)

- Educate various stakeholders and raise awareness on the benefits of apprenticeships and work-based learning programs.
- Organize events and marketing around National Apprenticeship Week.

B I U 16

Join Waubensee Community College to Help Shape the Apprenticeship Journey! The Business, Technology, and Workforce Education team has joined forces with experts from Harper College to enhance Waubensee's apprenticeship program, and your involvement is key to our success! At this all-employee event, we'll explore the importance of apprenticeships for students and the workforce, discussing ways to streamline processes, boost support, and strengthen employer partnerships.

We're also excited to welcome Dr. Knetl, who will share his insights. Let's work together to integrate apprenticeships into our college experience and ensure our students are workforce-ready!

This is a Hybrid Event. A Zoom link will be sent with the registration confirmation and calendar invite.
